February 10th to 15th 2020

Workshop

**Global threat yet local problem -
antimicrobial resistance in sub-Saharan
Africa**

An international workshop of the COMBAT AMR
in Africa Network

Dear Guests,

On behalf of Prof. Häussinger, the Director of the Hirsch Institute of Tropical Medicine, we would like to welcome you to this workshop.

Please note some organizational matters:

- We do NOT use microphones during presentations for a better atmosphere of the workshop. As a speaker, please speak loud. For the audience, please avoid any disturbing noises
- Please switch off your mobile phones or turn on the silent mode during the sessions
- Certificates of attendance are issued
- Please understand that coffee and meals can only be offered for registered participants
- Lunch is only served for participants who joined the morning session
- No allowances paid
- Please be in time, the schedule might change
- If any questions arise, don't hesitate to contact Ato Awel or one of the two coordinators (Marlen Schneider and Yannik Eggers)

List of Speakers

Nemo Ambo, Medical Director, Asella
Merga Bayu, Dean, Asella
Geleta Beyene, Asella
Tafese Beyene, Msc Microbiology and PhD candidate, HITM
Amrei von Braun, Leipzig
Duguma Adugna Debele, PhD President of Arsi University
Yidnekachew Degefaw, Ministry of Health, Addis Abeba
Yannik Eggers, Internal Medicine, Coordinator of the HITM
Gezahegn Feyssa, Ministry of Health, Addis Abeba
Mulatu Gashaw, Jimma
Kirstin Grosse-Frie, GIZ, Addis Abeba
Esayas Kebede Gudina, Jimma
Franziska Hommes, Berlin
Arne Kroidl, Munich
Andargachew Kumsa, Addis Abeba
Frank Mockenhaupt, Berlin
Nadia Said, GIZ, Addis Abeba
Marlen Schneider, Internal Medicine, Coordinator of the HITM
Abebe Sorsa, Head of Pediatrics, Asella Teaching Hospital
Christoph Vinnemeier, Hamburg
Aschalew Warku, Addis Abeba
Imke Wieters, Frankfurt

We thank all speakers for their contribution!

Workshop Program

Day II

Wednesday, 12/02/2020

Moderated by HKP

ESTHER-Partners only

07:30-08:00	Registration
08:00-08:45	AMR in Ethiopia: National level data & strategy <i>(Yidnekachew Degefaw, Ministry of Health, Addis Ababa)</i>
08:45-09:30	The electronic Health Information Systems Initiatives <i>(Gezahegn Feyssa, Ministry of Health, Addis Ababa)</i>
09:30-10:00	Discussion: Linking local projects, national agenda and the AMR-Network <i>(Grosse-Frie, GIZ, Addis Ababa)</i>
